

spaCy contributor agreement

This spaCy Contributor Agreement (**"SCA"**) is based on the [Oracle Contributor Agreement] (<http://www.oracle.com/technetwork/oca-405177.pdf>). The SCA applies to any contribution that you make to any product or project managed by us (the **"project"**), and sets out the intellectual property rights you grant to us in the contributed materials. The term **"us"** shall mean [ExplosionAI UG (haftungsbeschränkt)] (<https://explosion.ai/legal>). The term **"you"** shall mean the person or entity identified below.

If you agree to be bound by these terms, fill in the information requested below and include the filled-in version with your first pull request, under the folder [`.github/contributors/`] (`.github/contributors/`). The name of the file should be your GitHub username, with the extension `.md`. For example, the user example_user would create the file `.github/contributors/example_user.md`.

Read this agreement carefully before signing. These terms and conditions constitute a binding legal agreement.
